

Social Media Manager – Marathi

MyGov is the citizen engagement platform of the Government of India. It is an Independent Business Division under Digital India Corporation, a Section 8 company under the Ministry of Electronics & Information Technology. Details about MyGov can be seen at <https://MyGov.in>

MyGov is seeking a Social Media Manager for Marathi, proficient in various social media platforms, capable of creating content primarily in Marathi. The candidate should also be proficient in English and Hindi, with strong skills in reading and writing Marathi. Preference will be given to candidates with certification in the Marathi language.

Responsibilities include managing the social media accounts for the specified regional language, overseeing the creation and timely publication of relevant and engaging content. The role involves both translation and original content creation in the regional language. Key requirements include creativity, innovative thinking, and effective communication skills.

You will be under probation for the first 3 months from the date of joining. It is not mandatory for MyGov to offer you regular contract after the completion of the probation period. The period of probation can be reduced or increased by MyGov and shall be solely based upon your performance.

After successful completion of the initial contract period, a regular contract will be given.
